

Formation Development Group

Client Objective

Formation has the goal to acquire and reposition existing senior assets, as well as to provide consultation services to select clients in order to bring about amicable partnerships and care. Projects we have completed are:

Olney Assisted Living – Olney, MO

Cinco Village – Houston, TX

Vintage Park – Houston, TX

The Roseland – Roseland, TX

Ballwin Assisted Living – Ballwin, MO

NTI has served as the technology consultants for 5 independent living, assisted living, and specialty care products for the Formation Development Group.

Location	Senior Living
Size	Varies

Client	Formation Development Group

NTI Solutions in this Project

Structured Cabling

We design MATV/CATV cabling systems, including equipment locations, splitters, taps, and amplifiers.

Security

We design tailored security systems to meet project objectives, including intrusion detection and CCTV.

AV

Create custom AV plans, construction documents, and solution recommendations based on client objectives.
