

Old Town Redmond Lofts

Client Objective

You can start your morning workout in our 24-hour state-of-the-art fitness center or lounging in the plush resident clubhouse complete with coffee bar, or enjoy the community's beautifully landscaped outdoor spaces. The amazing location is within walking distance from a wide array of excellent shopping, dining and nightlife destinations.

NTI had the pleasure of working as the technology consultants for the Old Town Redmond Lofts who has the goal to provide great lifestyles in places people most want to live, work, and play. This is a 200,000 GSF residential community within a mixed-use environment.

Location	Redmond, WA
